Dear Bill,

Thanks a lot for your last letter. Sorry, I have not been in touch for so long.

You asked me about my future career. I have already decided that I will work hard in profession for my good career. Speaking about me, I would like to be an interpreter. It's my dream since my childhood. I read a lot, learn many English words and rules to do my words dictionary rich. I know that an interpreter must ~~has~~ ^{have a lot of} many knowledges and I try to do all for it.

Have you already chose a country for travelling? How many times have you already visit ^{ed} other countries?
Which countries do you like?

Well, I'd better go now as I have to do my homework.
Hope to hear from you soon!

Best wishes,
Marina
