Dear Ben,

Thanks a lot for your letter, it was nice to hear from you. I haven't written for a long time, because I've been busy at school.

In your letter you asked me about pets. I don't know why people don't want to have any pets. I think that life without pets is boring. I think that people who don't want to have any pets, are very silly. I don't approve of keeping exotic pets like spiders or snakes. I'm very afraid of spiders and snakes and people who keep these pets at home. I think that ^{such} this people are crazy. In my country people keep cats and dogs. ^{They are} It is very popular pets ~~in~~ in my country.

I also have some questions for you. What pets do you like? What is your cat's name? What ^{other} also pets would you like to have in your home?

Sorry, I have ^{to} finished now. My mother is waiting for me.

Hope to hear from you soon.
